## Profile

Creative Filmmaker and Videographer with in-house agency experience that has a passion for visual storytelling and producing engaging, purpose-driven content.

Experienced across the full production process from concept development and filming through to editing and delivery, with a strong eye for cinematic composition and narrative.

Confidence shooting with RED, Blackmagic and Sony camera systems, with strong understanding of sound and lighting setups across single shooter and commercial size productions.

Fully qualified drone pilot with A2 CofC qualification until 2030. Proficient in flying DJI Mavic 4 Pro and DJI Avata 2.

A collaborative team player who thrives in creative environments, contributes ideas, and is able to both lead and support on all types of shoots, ranging from social-first, documentary and TV commercials.

Mac and Windows literate, fluent in Google Workspace and Office 365 applications.

## Experience

### **Graduate Filmmaker (FTC), Alchemy Films - December 2024 - April 2026**

Filming on location independently and as part of a larger crew across social-first, documentary and TV commercials.

Operating and maintaining cameras and lenses including Blackmagic Pocket 6k, RED Komodo and RED V-Raptor, and assisting on motion control rig set ups. Confident with rigging, balancing and executing shots with gimbals, specifically the Ronin RS range.

Fully qualified drone pilot with A2 CofC qualification, proficient in flying DJI Mavic 4 Pro and DJI Avata 2.

Assisting Lighting Gaffer on large-scale TV commercial productions, supporting with lighting rig setup, equipment handling and on-set adjustments to ensure lighting continuity and the desired visual aesthetic.

Personable but professional attitude, ensuring clients feel at ease with the filmmaking process before, during and after production.

Good knowledge and understanding of ingest, colour managed and proxy workflow process with RAW footage within DaVinci Resolve Studio and DaVinci Resolve Cloud.

Familiar with both creating from scratch and adapting existing or templated 2D motion graphics in Adobe After Effects.

Skilled and experienced in the full Adobe CC Suite.

### **Freelance Filmmaker / Videographer - April 2023 - November 2024**

Proactively secured paid client projects, managing end-to-end production including filming, editing, and maintaining clear, consistent communication throughout the project lifecycle.

Collaborated with production companies on a freelance basis, delivering high-quality content across a range of formats including e-learning videos, live streams, and social media content.

Maintained ongoing relationships with clients, resulting in repeat business and long-term collaborations.
